Comments: (If possible, please reference section number and/or page number in document if applicable.)

1 I think that with those trucks of nuclear waste going through our towns would make us sick and the ~~safety~~

2 safety of the trucks going through is not only unhealthy it is dangerous because nevada is a windy state and many cars have crashed from the wind and if one of the trucks crashes it could explode and that is

Please note: For your comment(s) to be considered in the Final Environmental Impact Statement, your comment(s) need to be received by the Department of Energy by February 9, 2000. To the extent practicable the Department will consider comments received after February 9.

Please feel free to attach additional pages; more postage may be needed. If you prefer to mail your comments, you may use the back side of this sheet as a postage-paid, self-mailer. To do so, fold in thirds along the dotted line so address and postage-paid notice are visible; then secure with tape.
