To Whom It May Concern,

1... I am adamantly opposed to the siting of the Yucca Mountain as a nuclear waste facility. I, as a citizen and a taxpayer am outraged that I may be forced to pay taxes, for this undertaking, while the nuclear industry reaps monetary profits for this travesty to health + well being. OVER →

1 cont. I implore you to put human life before profits to big business, and reject any part of a "Draft Environmental Impact Statement" which includes a blueprint to use the Yucca Mountain as a nuclear waste facility.

With much concern,

Sincerely,

Sherry Platnick
