Wendy Dixon
Depart. of Energy:

RECEIVED
FEB 04 2000

1 We, I represent my neighborhood, in Crestwood, do not want the Nuclear Waste to pass thru St. Louis.

How can you guarantee there is not to be a mishap?

My daughter got a form of cancer since we live by high utility wires. Now, this coming thru St. Louis?

1 continued Re consider this immediately!

We do not want nuclear waste to come thru our city.

Sincerely,

Mary Kimmich
