Feb 1, 2000

FEB 08 2000

EIS001238

Dept. of Energy,

1 Please do not transfer the radioactive waste through Missouri on Hwy. 70. It is the most crowded and dangerous route you could use.

Sincerely,
Mrs. T. A. Algire

Mr. & Mrs. T. A. Algiere
1413 West Georgetown Loop
Columbia, MO 65203-0463

Comments welcome

The Department of Energy will be accepting comments on the draft environmental impact statement through Feb. 9, 2000.

Comments may be mailed to: U.S. Department of Energy, P.O. Box 30307 M-S 010, North Las Vegas, NV 89036-0307.

The full text, as well as an online comment form, is available at http://www.ymp.gov/deis.htm
