North Lasvegas, NV 89036-0307

Dear Ms. Dixon, E/S manager;

My name is Marcus Jenree. I am learing about nuclar waste and I am aware that you want to bring waste and store it at Yucca mountian.
1 I think that if you make the waste, you keep the waste. I hope that you can find some other place to put the waste.

Sincerly,
Marcus Jenree
