Mr. Jerry Lash, Director of Nuclear Energy
Dear Sir:

I read about Nuclear Waste in Our Bryan Times newspaper - I am certainly not in favor
1 of the Nuclear Waste going through Ohio & maybe Williams County, where I live. Surely there is another way to deal with it.

Our State, and our County doesn't need any travel of Nuclear Waste through it.

So - I definitely am saying - PLEASE NO NUCLEAR Waste going through Ohio at any level or any place - Please no pollution!

Thank you -

Mrs. Jackie Cooley
