--> Comment Text :
My be if you work on this new technology

http://www.home4arab.com/members//business/free_energy/second_inventionhtm.shtml

you will save this mountain from the disastrous material that you are specialists are the most aware about it this new technology will shoot the mercy bullet on the nuclear energy because it is complete over unity with no need for fuel and the most friendly energy that is disclosed up to know it will work on the mountain and will produce unlimited amounts of energy with no radiation or pollution.

Thank you

Save the mountain and the life of your children look here:
