"The Last Supper" window in the main worship space of Christ the King Catholic Community, Las Vegas, NV, was designed by Jean Myers, of South Lake Tahoe, CA. It measures 13' x 12'.

Sen. Harry Reid, D-Nev., said holding the hearing at the National Nuclear Security Administration facility would be "like having an election and holding the vote at the Democratic headquarters or the Republican headquarters. It would intimidate people."

Rep. Shelley Berkley, D-Nev., issued a statement from Jerusalem, where she is on a congressional trip in the Middle East, saying, "I hope whenever the decisive hearings are held, Secretary Abraham will have the decency to attend them personally, and listen to the families who would be affected by this decision."

Another Gofer attempt to S---- NV!"???

30 August 2001

I planned to be at Sept. 5 meet at "Suncoast." (Plan to change from start? Bush Kid tell you to do?) How accessible is "new" to mobility carts/scooters, wheelchairs, crutches, canes, etc.? North LV???
