OCT 10 2001

I AM AGAINST THE SHIPMENT OF IRRADIATED FUEL ROD TO THE YUCCA MOUNTAIN SITE DUE TO THE FACT THAT THE SITE SITS ON A FAULT LINE MAKING IT SUSEPTABEL TO DAMAGE FROM EARTH QUAKE, NOT TO MENTION THE FACT THAT IT IS IN PROXCIMITY TO A VOCANIC FIELD.

THE SHIPMENT THROUGH MAJIOR CITIES IS TOTALY UN ACCEPTABEL.

WHAT IS WRONG WITH ALTERNATIVE ENERG?

YOU PEOPLE ARE THE ONES DESTROYING THE EARTH YOU ARE SPOKEN OF IN THE BOOK OF REVELATION.

STOP NOW!

Bob Finch

YOU SURELY WALK AS THE BLIND.
