14

I would like to see cask testing done on the

15 actual shipment casks that is as stringent as possible; that we

16 have not have simulation testing, but the full testing as

17 stringent as we can on any of the shipping casks.

18 MR. LAWSON: All right. Good. Good thinking.

19 MS. BOOTH: Thank you.

20 MR. LAWSON: Thanks.

21 Is there anyone else who would like to speak now?

22 Okay. If not, we'll go back into recess until

23 such time as there is somebody else who would like to speak.

24 Thank you.

25 (Recess taken).
