STEVE FRISHMAN,

9

appeared and gave the following statement:

RECEIVED

10

OCT 05 1999

11

MR. FRISHMAN: My name is Steve Frishman.

12

I'm here representing Bob Loux, who is executive

13

director of the Nevada Agency for Nuclear Projects.

14

Given the fact that everyone here knows what I

15

would say, I'm going to waive reading of the

16

speech.

1

17

I just want to point out one matter that

18

some people in the room may not be aware of, and

19

that is that the proposed action is contrary to

20

Nevada state law. The Nevada legislature in 1989

21

passed a law making it illegal to store radioactive

22

waste within the state of Nevada.

23

So that's just a statement of where the

24

State of Nevada is regarding your proposed action.

25

HEARING OFFICER: Thanks very much. Our next

1

speaker is Robert Jefferson.
