

PUBLIC STATEMENTS OF
RACHELLE SWANSON, KRIS STERN AND CATHLEEN DAVIS

RECEIVED

DEC 01 1999

MS. STERN: I'm Kris Stern.

MS. DAVIS: I'm Cathleen Davis.

MS. SWANSON: I'm Rachelle Swanson. We're from Billinghamurst Middle School, and we say take the no action alternative because we think that sending the nuclear waste here is wrong, and Las Vegas isn't far away, and we shouldn't have to have our children and grandchildren have to live with what wasn't done by us.

MS. SWANSON: We are not creating this waste, so why should we have to put up with it.

MS. DAVIS: If you are spending so much money just focusing on Yucca Mountain, I say you go all the way and spend all your money focusing on other sites as well. That way you get the full view of sites, because it is not worth the risk.

MS. SWANSON: We do not want this to happen.

MS. STERN: Thank you.
