Comments: We are very opposed to the Yucca Mountain Project. We are further seriously
opposed of transporting waste through the Las Vegas valley at any time in the future
near or far. With all due respect, it is asking a lot of us as citizens to simply
roll over and play dead on this. As proud as we may be of being Americans the fact of
the matter is our government has lied to us on many occasions when it comes to our
health and safety. Fallout from the test site comes readily to mind as it does to the
many of our family members that have been affected by it. How long were we told there
was nothing to the sheer numbers of cancer cases and that it had nothing to do with
nuclear testing? This issue encompasses far more than the usual post-60 type folks.
We are Moms and Dads and professionals who will not let this issue rest. While we
recognize the difficulty in finding a suitable spot, we will never believe or allow
Yucca Mountain to be the spot as it is near too dense of a populat
