Comment Text :
-->Dear Ms. Dixon: January 22, 2000

1... I attended the Department of Energy Meeting held on January 20
in St. Louis. I wish to register my opposition to the
transporting of wasted nuclear rods by rail or highway across

1

1 cont. | our Country. The catastrophic risks involved are not acceptable.
2 | The "No Action Alternative" makes more sense. In a hundred
| years, scientists may have come up with new research and ways
| to neutralize these toxic wastes.

Sincerely,

Mary Ryan
