Comments: (If possible, please reference section number and/or page number in document if applicable.)

1. Close nuclear power plants immediately
until the waste can be safely
disposed
Replace nuclear with alternative
energy sources e.g. fuel cells
2. When transporting nuclear waste that is
radioactive avoid urban centers
3. Store radioactive waste on site where
it is produced.

Please note: For your comment(s) to be considered in the Final Environmental Impact Statement, your comment(s) need to be received by the Department of Energy by February 9, 2000. To the extent practicable the Department will consider comments received after February 9.

Please feel free to attach additional pages; more postage may be needed. If you prefer to mail your comments, you may use the back side of this sheet as a postage-paid, self-mailer. To do so, fold in thirds along the dotted line so address and postage-paid notice are visible; then secure with tape.
