Comments: (If possible, please reference section number and/or page number in document if applicable.)

1 Why the states that produce the waste, take care of ~~the~~ their waste?

2 Why I want we convert the nuclear energy to natural energy? It's safer.

3 Whose paying for ~~the~~ ~~the~~ the planning of the project, and if it happens whose \$ will pay for it?

Please note: For your comment(s) to be considered in the Final Environmental Impact Statement, your comment(s) need to be received by the Department of Energy by February 9, 2000. To the extent practicable the Department will consider comments received after February 9.

Please feel free to attach additional pages; more postage may be needed. If you prefer to mail your comments, you may use the back side of this sheet as a postage-paid, self-mailer. To do so, fold in thirds along
