COMMENT'S  
ON THE YUCCA MTN. PROJECT

THE IDEA OF LIVING OFF THE LAND IS A NICE THOUGHT, BUT IF EVERYONE LIVED OFF OF THE LAND WE WOULD DEplete OUR RESOURCES.

1... WE ALL ENJOY A STRONG AMERICA AND ECONOMY. IN ORDER TO DO SO, WE MUST BE PRODUCTIVE IN INDUSTRY. INDUSTRY AND PEOPLE DEMAND ENERY. [WE MUST FIND ALTERNATIVE WAY'S TO PROVIDE ENERGY. THE DEMAND WILL ONLY INCREASE.

INSTEAD OF SPENDING THE U.S. DOLLAR ON 3<sup>RD</sup> WORLD COUNTRIES AND NASA PROJECTS, WE SHOULD BE FIGURING OUT A WAY TO PRESERVE THE RESOURES THAT WE HAVE.

THERE MUST BE A BALANCE BETWEEN THE NEEDS AND WANTS OF THE HUMAN RACE, AND THE PRESERVATION OF THE EARTH.

2 [ YUCCA MTN. PROJECT IS A BANDAIDE ON A MUCH LARGER WOUND THAT WILL OPEN. MORE RESEARCH IS NEEDED TO INSURE THAT OUR CHILDREN AND THEIR CHILDREN WILL HAVE WHAT WE HAVE BEEN ABLE TO ENJOY.

3 [ YUCCA MTN. PROJECT WILL PUT N.V. ON THE MAP AS A "WASTE DUMP". HOW ATTRACTIVE THAT WILL BE FOR NEVADA'S GROWTH. THERE IS NO WAY TO TELL HOW THIS WASTE WILL AFFECT OUR LAND, NOT EVEN A FEW YEARS FROM NOW.

1 cont. [ SOMETHING MUST BE DONE WITH NUCLEAR WASTE . LET'S STOP IT AT THE SOURCE. AMERICA IS TRYING TO BURY A BIG PROBLEM THAT WILL ONLY GET WORSE. MAKE RESEARCH OF THIS MATTER A PRIORITY ONE.
