Telephone number (optional): (702) 457-2239

I request that these comments be made a part of the official record.

1
[I'm against the Nuclear Waste site
due to it will be dangerous to transport
the nuclear waste state by state being
expose by terrorist attack, and
accident! It shall be left where it
being produce at a secure Facility.
Where they should learn how to deal with
the waste themselves! Not in Nevada!]

Charles L. McVoy Jr

Please note: For your comment(s) to be considered in the Final Environmental Impact Statement, your comment(s) need to be received by the Department of Energy by February 9, 2000. To the extent practicable the Department will consider comments received after February 9.
