Dear Mr. Summerson,

010045

6-8

It is utterly folly to ship nuclear waste across the country by train or truck, through heavily populated areas, to store at Yucca Mountain, which is not suitable for radioactive waste storage even as an interim site. What is this madness? Do you live on one of the proposed routes? I do! -

Mrs. Frances Green
82 Jefferson Rd
Saint Louis, MO 63119

Please stop this dangerous practice - Frances Green ①
