Federal Record Status Not Determined

 Dear Dept of Extinction:

Please extend the comment period for the PSEE Yuck-a Mountain Nuclear Dump for at least 90 days, and hold public hearings in every community that the nuclear waste shipments would be routed through (by truck and/or train).

Please also consider paying the contractors for the dump only half of the fee now, and the remainder of the fee in 10,000 years -- since the proof that the dump would be intact that long would be difficult to achieve otherwise.
